	10543-1	Replacement 120 Micron Screen	*
	05-03436	Replacement 74 Micron Screen	
	10541	Replacement Bowl	*
	<b>Homebuilders</b> All-metal Gascolator with Stainless Steel screen, 1-7/8" diameter. Cadmium plated steel bowl w/quick drain. Top is CNC machined from 6061-T6 aluminium. Top has 1/4" pipe ports for 3/8" fuel line and one 1/8" pipe port for primer fitting. Wt: 8 oz. May be used with aviation and/ or auto fuel. <b>Made in USA</b>		
	<b>Our Part Number</b>	<b>Description</b>	<b>Stocked</b>
	05-00907	Firewall Bulkhead Fitting	*
	Mount your gascolator solidly on the firewall with this special bulkhead fitting. Simply drill a 5/8 inch hole through the firewall and a backing plate on the cabin side and rivet flange to the firewall.		
	<b>Our Part Number</b>	<b>Description</b>	<b>Stocked</b>
	10630	Firewall Bulkhead Fitting	*
	Prevents return fuel flow during normal operation but provides by-pass fuel feed in an emergency if the fuel pump fails. Wt. 1 oz., 2-7/8" long. Use with tube fittings for 3/8" dia. fuel line. Anodized for corrosion resistance. <b>Made in USA</b>		
	<b>Our Part Number</b>	<b>Description</b>	<b>Stocked</b>
	05-23325	Mini Fuel Valve 1/4"	*
	05-23330	Mini Fuel Valve 3/8"	
	05-01026	Mini Fuel Valve 1/2"	
	Mini Fuel Valve 1/2". The lightest (4 oz.) smallest (1.5" long), easiest to operate ball type (not plug) on-off fuel valve available. Light operating force makes it ideal for remote operation. Not FAA approved. Forged brass with 1/4"		
<b>**Note: Forged brass with 1/4", 3/8", or 1/2" female pipe ends. **</b>			

**\*Carried on shelf.**

**All measurements are Imperial**
